PURPOSE

The purpose and objectives of the Society shall be to promote the study of the prehistoric and historic archaeological resources of Pennsylvania and of neighboring states; to encourage scientific research and to discourage exploration which is unscientific or irresponsible in intent or practice; to promote the conservation of archaeological sites, artifacts, and information; to oppose the manufacture and sale of fraudulent antiquities; to encourage the establishment and maintenance of sources of archaeological information, such as museums, societies, and educational programs; to promote the dissemination of archaeological knowledge by means of publications and forums; and to foster the exchange of information between professional and nonprofessional archaeologists

The Society for Pennsylvania is a 501 (c) 3 educational non-profit agency. All donations are tax deductible to the full extent. No goods or services are received for this transaction.
